

Fact Sheet

WHO WE ARE

- Since 1970, Third Way Center has provided **mental health treatment in a residential setting** to teens who have endured unspeakable abuse & neglect.
- Mission: To offer **TRUTH & HOPE** to high risk, mentally ill, disadvantaged and often homeless adolescents, and their families.
- **120 full time** staff and **40 part-time** staff including state-licensed Master Level Therapists, Mental Health Counselors, and more than **25 educational** staff.

What We Do

- We provide traumatized teens with **Truth** in the form of accurate mental health assessment and diagnosis, as well as **Hope** through individual, family and group therapy, education, vocational training, parenting skills training and more.
- Round the clock **mental health treatment in a residential setting**.
- Combined, our five licensed **Residential Child Care Facilities (RCCFs)** are capable of serving up to **119 teens** and **12 babies** at one time.

Why We Do It

- To **provide an alternative to homelessness and incarceration**, a third way of living—a path to healing and wholeness through mental health treatment, quality education, and intensive life skills training in a home-like, safe environment.

93% Of Teens Come To Third Way Center With A History Of Abuse Or Severe Neglect.

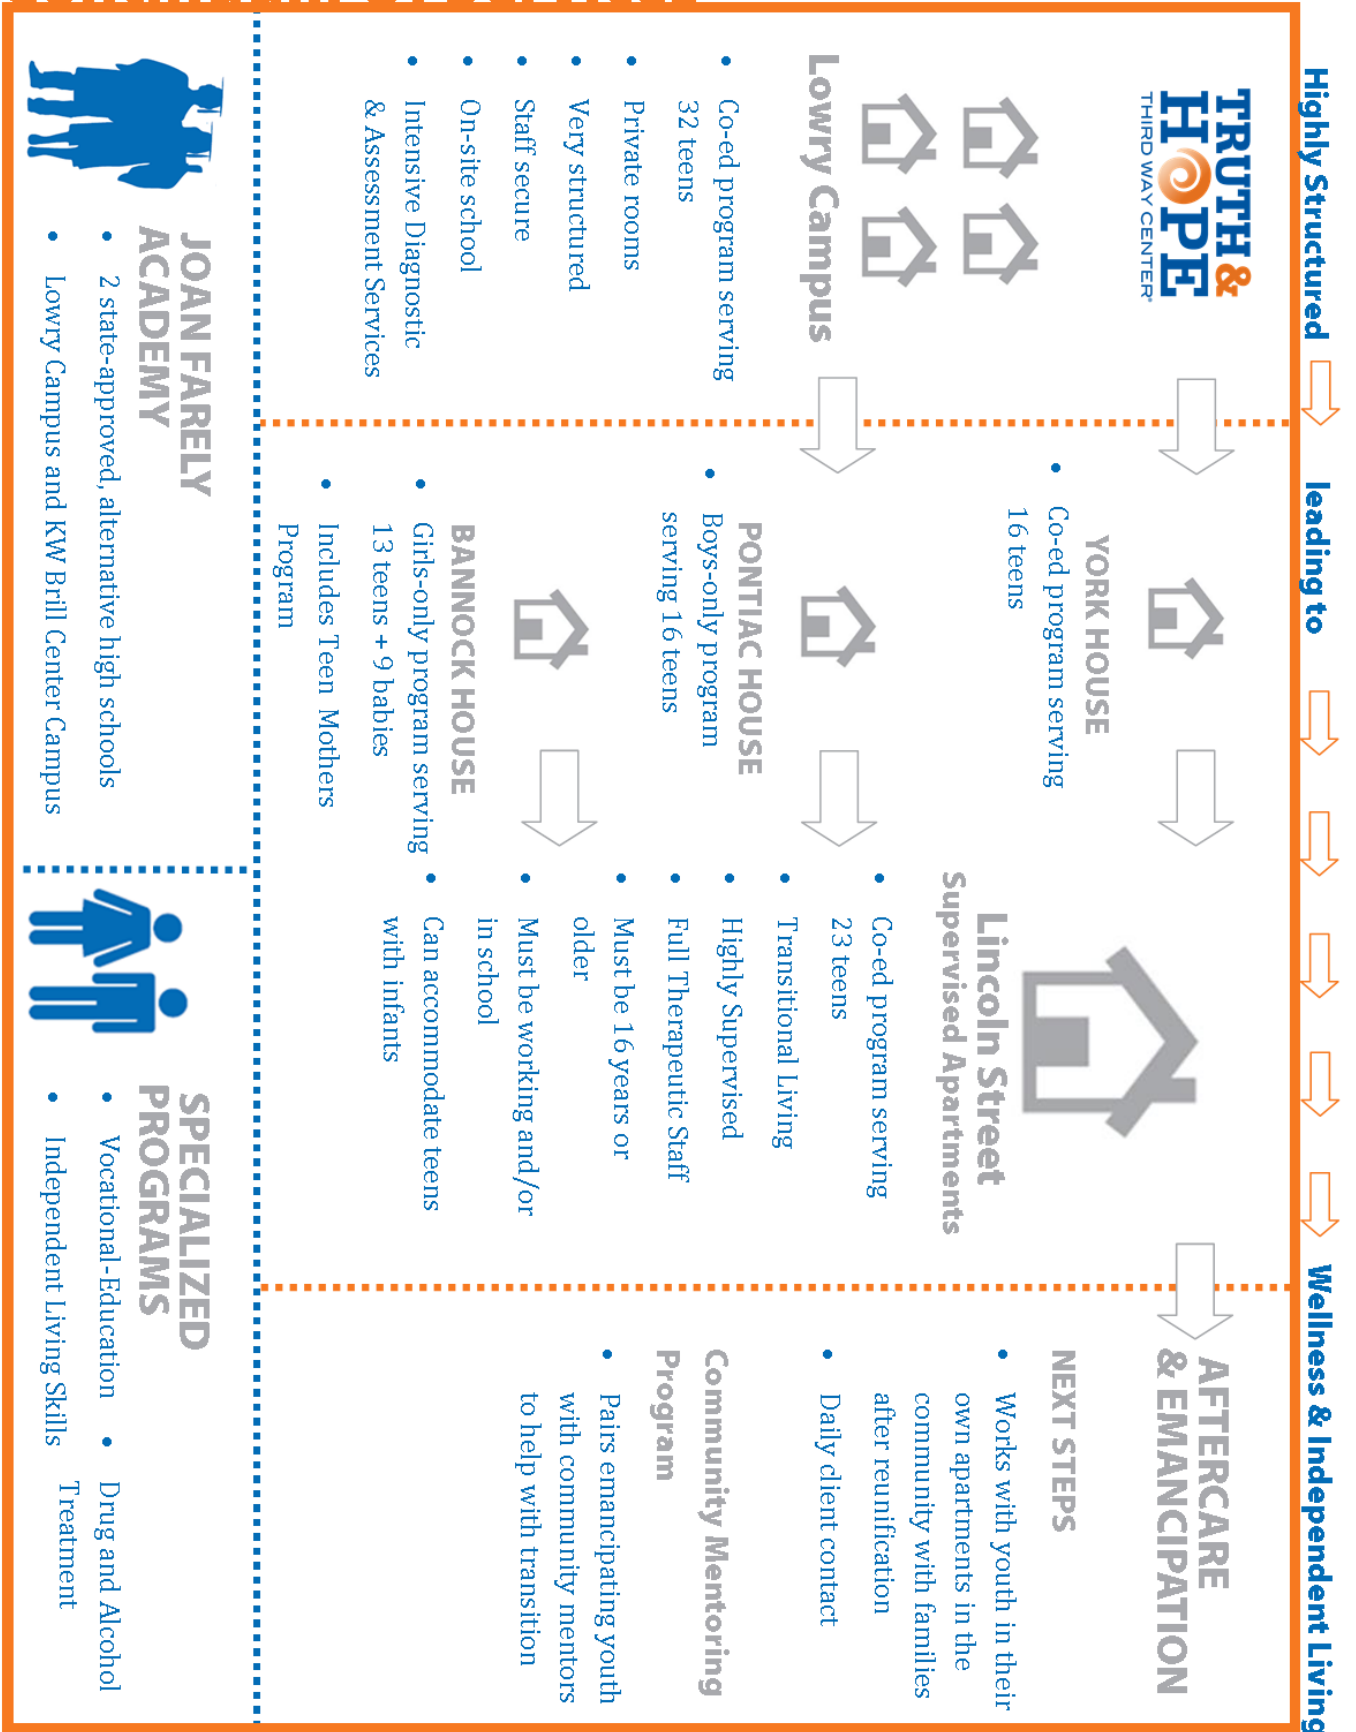

Many Have Come From Up To **30** Failed Placements In Other Foster Homes, Treatment Programs, Failed Adoptions & Youth Correction Settings.

One Year After Discharge **71%** Of Clients Were Successfully Living On Their Own Or Reunited With Family.
